**The Only Way to Learn about Tomorrow, Volume 4, Second Edition** Marion D. March, Joan McEvers  
The Only Way to Learn About Tomorrow is a new edition of Volume 4 of the highly popular and best-selling "Only Way to Learn Astrology" series by award winning master teachers Marion D. March and Joan McEvers. In this volume, clear and very thorough instruction is given for current patterns-all major techniques of looking into the future with astrology, including transiting planets, secondary progressions, solar arc directions, eclipses, cycles and solar and lunar returns. As with all books of this classic six-volume series, everything is clearly explained and illustrated with many examples from the horoscopes and life events of well known people. 46 charts are shown and interpreted.
