Take a deeper look at astrology as it relates to Jungian Archetypes. By understanding myths and archetypes, you can attain the potential of your birth chart?your life map?and gain conscious control of the instincts that rule you. You can change the instinctual patterns that seem to have you locked in, and become healthier and more productive.

*Archetypes of the Zodiac* explains the archetypal journeys of each sign: Aries' search for a separate identity, Taurus' quest for value and meaning, Gemini's search for variety. The technique in this book is based on the integration of the esoteric rules of the signs with their opposites. This technique helps you understand your instinctual behavior, enhance your creativity, and modify the negative energies in your horoscope.

Anyone studying astrology and archetypes?counselors, professional astrologers and even novices?can benefit from this information. You can bring out the higher octave of your sign and manifest it in your life?and learn to help others do the same.
