Death Of The King's Horsemen

Bernard Jay Montague

Death Of The King's Horsemen Bernard Jay Montague

This debut novel is depiction of friendship that you've never deemed imaginable. What happens when your best friend goes to jail? You plan their escape! Led by "The King of The Six", a tight knit group of high stakes men take it upon themselves to break their friend out after being sentenced to the death penalty for making a bad judgment call. Leaving behind a bloody and grizzly scene, it is obvious they had help. Everyone is considered a suspect and law enforcement agencies are in high pursuit of the group: wanting them... DEAD OR ALIVE! Fortunately for them, they have an inside track with a high profile female anchor that also happens to be married to the head of the investigation. Making sure she remains in constant communication with her husband to stay abreast of the investigation, little does she know he has a secret of his own: proving the less you know the better! Just when you think you've seen it all, this modern day tale of life in the fast lane delivers an even bigger dose of suspense, friendship, loyalty and betrayal that will keep you guessing until the very last page! Literally.
