From the Inside Out S. L. Scott

We shared a love that regulated every heartbeat and every breath we took. It was all encompassing. I thought our love could withstand time and anything thrown our way. I was wrong. So wrong. I used to be happy. I used to be Juliette Weston when Dylan Somers filled my life with promises of love and a happy ever after. But when he took my heart and broke it into a million pieces, I became someone else entirely. In one afternoon, I lost my soul mate. I lost everything I knew myself to be. Three years later, the man who destroyed me is back. To assuage his guilt? To finish the job? It doesn't matter... I won't let him this time. I'm stronger. I've moved on. He won't affect me. This is a story of love and betrayal. Pain and loss. Happiness and fate. It's about finding your true destiny. This is our story. And it's not for the faint of heart.
