Gentleman Bounty Hunter: Chasing Father's Ghost Warren Jason Street

Norman Rogers and his dysfunctional family board the family's privately-owned ship, a converted World War II blockade runner. This is the first Gentleman Bounty Hunter adventure story. Here, they must learn how to hunt the family's patriarch on the open seas. It was this encounter where Norman decides to dedicate his life to being a Gentleman Bounty Hunter, or someone who goes after deadbeat relatives for free so that he can reunite other dysfunctional families.

It is weird on purpose, like any good story.
