His Mate- Brothers- Cosmo~ Book Two of Bo and Rusty (Lycan Romance) M L Briers

Rusty might have had problems with his mate and had taken off to the Vampire's lair with his Alpha in tow, but Cosmo had some problems of his own. One little disaster followed another until his scheming sister had caused him the biggest problem of all, finding his mate.

As Fate conspired with Mother Nature to seal the deal between the mates they found one more thing to contend with, a rogue wolf was on the loose. Rusty worried that his mate would reject him. Cosmo tried to woo his mate against the backdrop of his insane family and the fact that she was human, and Melly had a surprise in store of her own.
