I'm a heart-breaker, a lady-killer

Mason

I'll be your prince charming for the night, but come morning, you best get the f*** out of my bed.

Then I met Caroline, and everything changed.

One taste of her and I'm hooked.

One taste and I know I had to have more.

She thinks I'm a monster. The last thing she needs.

But that's not going to stop me from making her *MINE*.

Caroline

I hate bikers. Especially Mason Butler. Handsome looks and all the tattoos in the world aren't going to hide what he is underneath.

A monster.

A monster who tied me down in his bed...

... and left my throat throbbing and raw from screaming his name.

A monster who's just getting started.

A monster who won't stop until he makes me *HIS*.

***Mason* is a full-length, standalone romance novel with steamy hot sex, no cheating, strong language, an HEA ending and NO CLIFFHANGERS. Contains dark and disturbing themes, and over the top sexiness that may be uncomfortable for some readers**
