Prayers And Promises for Supernatural Childbirth Jackie Mize

A Bundle of Joy for Every Woman Whose Heart Longs to be a Mommy Ten million people each year suffer—often in private shame and pain—because they’ve been told that they can never conceive children of their own as a couple (literally billions of dollars are spent each year on fertility cures); or because they’ve been conditioned to believe that it’s normal to struggle through a painful and difficult pregnancy; or because they fear whether they have what it takes to be affirming, joyful parents. Jackie Mize—who was told it was impossible for her to have a baby and who is now the mother of four beautiful children—provides readers with a supernatural answer. Filled with powerful and intimate scriptural prayers, this little book gives readers a way to come before Father God in faith with issues from having a difficult time getting pregnant to joyfully cradling that precious gift from God in their arms. By taking an expectant mother—or a woman who desperately wants to be expecting—through God’s promises for her and her baby’s future, Prayers and Promises for Supernatural Childbirth is a bundle of joy that delivers hope and encouragement, while chasing away doubts and fears. Specific issues covered in the scriptural prayers include: fulfillment over barrenness; the threat of miscarriage; a joyful delivery day; and dedicating one’s baby to God.
