18+ for language and sexual situations...

Alex 'Hawk' James has a sordid and violent past, one that, in part, leaves him the single father of a little girl. His only solace is the world he's made within the Dogs of Fire Motorcycle Club.

Payton Williams has everything under control. Her neat little world is as she has made it and she's happy with the life she's leading. But when a chance encounter with a gorgeous biker upends her tidy plans, she finds herself confronting things she'd been happy to gloss over... until now.

Will Hawk and Payton's different worlds collide in chaos, or will they come together and heal the wounds of the past?

Will a threat from someone out of Hawk's past destroy the trust he and Payton are building?
