SAGE Biographical Research (SAGE Library of Research Methods)

Biographical research may take a range of forms and may vary in its application and approach but has the unified and coherent aim to give 'voice' to individuals. The central concern of **SAGE Biographical Research** is to assemble articles (from sociology, social psychology, education, health, criminology, social gerontology, epidemiology, management, and organizational research) that illustrate the full range of debates, methods and techniques that can be combined under heading 'biographical research'.
