## **The Cincinnati Southern Railway A History A Complete and Concise History of The Events Attending the Building and Operations of the Road**

Fascinating history of the Cincinnati Southern Railway which is the only city-owned interstate railroad in the United States. Constructed to link Cincinnati with Chattanooga, KY, the railroad still provides an annual income to the city. This book provides an excellent history of the railroad's construction followed by a tour of the line, showing the businesses, homes and prominent citizens along the route. The book is wonderful just for the pictures of the beautiful turn of the century mansions. Illustrated throughout with black and white photos, for which there is an index, as well as maps and engravings. With gilt page edges, decorative end papers and several pages of vintage advertisements. 231 pages.
