Rachelle Covington has it all. A fabulous home, a handsome and prestigious husband, two beautiful children, and a place in the upper crust that's quite comfortable. But her life is not all it's cracked up to be. When her husband goes away on business trip and the kids are sent off to the grandparents for a month, Rachelle takes up the challenge of a dying friend to start a list of things to do before she dies. She heads back to Jubilant, Texas, to reconnect with her past, her purpose, and herself. But when her ex shows up in town looking very fine and very single, Rachelle must confront feelings she thought she'd long buried. Will she give up everything to recover the past? Or will she find a reason to plan for the future? The Someday List is an honest look at what makes us who we are and what can throw us off track. Author Stacy Hawkins Adams writes with a voice that is fresh, sincere, and completely real. Her characters jump off the page and into her readers' hearts.
