Things had gone from worse to desperate. Hannah and Brandon were on the run in a city which was a dystopian mashup of Italian paradise meets Grand Theft Auto V. On paper, Cagliari, Sardinia had seemed a romantic eden of gardens and ancient architecture. In reality it was the fanged snake which coiled around them, ready to strike.

And all that stood between them and death was Brandon's willingness to do whatever it took to keep Hannah safe.

But when, out of desperation, Brandon is forced to call on his ex-fiancee for help, will their thin hold on luck run out?

Half of the author's proceeds of all Ophelia Sikes books benefit battered women's shelters.

Lost In Darkness is the third novella in the Italian Nights series. Due to the strong sexual content and adult situations, this book is recommended for readers aged 17+. The first four novellas have cliff-hanger endings, which lead to the final novella with a happily-ever-after.

I come from a family which adores Italy. My parents strive to go every year, and I've been several times there myself. I took this very cruise through the Mediterranean Sea and wrote my notes while I traveled. The sights, sounds, aromas, and atmosphere of this exotic region are just as I personally experienced them.

If you haven't been to Italy, Monaco, Spain, or France, I highly recommend it. Even if you have to save a little each year to make it a trip of a lifetime, it is well worth it. These locations are the cradle of civilization. The art, food, and culture created here resonate throughout time. In the meantime, enjoy this virtual vacation written from my first-hand experiences!
