Mild Traumatic Brain Injury: A Therapy and Resource Manual (Neurogenic Communication Disorder Series) Betsy S. Green, Kristin M. Stevens, Tracey Wolfe

This hands-on resource manual provides practical and useful suggestions for developing individualized therapy tasks to promote a client's successful return to the demands of the home, school, or work environment. Written by clinicians for clinicians, this book integrates the diversified roles of the speech-language pathologist and emphasizes the interdependency of evaluation, treatment, information sharing, and involvement of the entire rehabilitation team in treating this challenging population.
