The Gate Fiona Cane

A gripping story of pushy parents, teenage angst, cyberbullying and murder madness, 'The Gate' is a psychological thriller at heart but also a moving account of grief and family, as a widowed career mother tries to reconnect with her sweet-child-turned-rebel daughter. Foreign correspondent Megan Moreau's life is turned upside down when, returning from Afghanistan, tragedy strikes. She makes the life-altering decision to resign her job and move her teenage twins from their London comprehensive to St Peter's in Easthaven. The arrival, mid-term, of rebellious but talented Daisy and studious Josh, soon stirs up a hornet's nest of resentment amongst the clique of child-centric mothers who dominate the school gate. But beneath the respectable veneer, evil is at work. As the crimes escalate the close-knit community is torn apart. The safety of her own family threatened, Megan joins the hunt for the elusive and psychotic killer but discovers that some people's deceptions are just too hard to fathom ... "Fiona Cane is a natural storyteller, with a vivid writing style that is eminently readable." Peter James, bestselling author of *Dead Man's Time*

From reader reviews:

Morgan Woods:

Playing with family within a park, coming to see the coastal world or hanging out with friends is thing that usually you have done when you have spare time, in that case why you don't try factor that really opposite from that. Just one activity that make you not sense tired but still relaxing, trilling like on roller coaster you have been ride on and with addition of information. Even you love The Gate, you can enjoy both. It is excellent combination right, you still wish to miss it? What kind of hangout type is it? Oh occur its mind hangout fellas. What? Still don't have it, oh come on its identified as reading friends.

James Thrasher:

Are you kind of busy person, only have 10 or 15 minute in your morning to upgrading your mind talent or thinking skill also analytical thinking? Then you have problem with the book than can satisfy your short period of time to read it because all of this time you only find publication that need more time to be examine. The Gate can be your answer because it can be read by you actually who have those short free time problems.

Herman Hernandez:

A lot of publication has printed but it differs from the others. You can get it by net on social media. You can choose the very best book for you, science, comedian, novel, or whatever by searching from it. It is named of book The Gate. You can include your knowledge by it. Without departing the printed book, it can add your knowledge and make anyone happier to read. It is most essential that, you must aware about reserve. It can bring you from one destination for a other place.

Catherine Graziani:

Reading a e-book make you to get more knowledge from the jawhorse. You can take knowledge and information from the book. Book is written or printed or created from each source which filled update of news. On this modern era like at this point, many ways to get information are available for an individual. From media social like newspaper, magazines, science guide, encyclopedia, reference book, story and comic. You can add your knowledge by that book. Isn't it time to spend your spare time to spread out your book? Or just in search of the The Gate when you essential it?
