The Life of Abraham Lincoln

Henry Ketcham

The Life of Abraham Lincoln Henry Ketcham

In his introduction to “The Life of Abraham Lincoln,” Henry Ketcham notes that there has been so much written about Lincoln that the legend has begun to obscure, if not to efface, the man. “In this biography the single purpose has been to present the living man with such distinctness of outline that the reader may have a sort of feeling of being acquainted with him.” Ketcham’s clearly-written, unadorned account of Lincoln’s life achieves its stated purpose, never removing its focus from the man who became the 16th President of the United States and led the nation through some of its most turbulent and difficult times.
