We'll Meet Again: A Personal and Social Memory of World War II Vera Lynn

During World War II, two figures symbolized the spirit of Britain: Winston Churchill and Vera Lynn. The indomitable optimism, quiet courage, enterprise, patience, and uncrushable humour of the British people was personified by the irrepressible energy of Dame Vera Lynn who sang to the troops abroad and reached the hearts of the people on the home front. Including Dame Vera's own recollections of the war, "We'll Meet Again" revisits the way the people of Britain lived during those extraordinary years. Rationing, air raids, adjusting to loved ones being away while trying to maintain as normal a routine as possible are all addressed alongside family life, education, evacuation, the royal family, sport, commerce and entertainment. How did the British deal with all these aspects of life during the years between 1939 and 1945? Marvellously anecdotal and sumptuously illustrated throughout, this book reveals the fashions of the time, the films people were watching, the songs people were singing and the headlines that people absorbed everyday.
