God's Word On Fire: Encountering the Manifest Presence of Christ in my daily Bible reading

The Bible is God's Word and watch out – it's on fire!

It may surprise you, but the Bible is not a religious book; it's a love letter written by the God of the universe to you. Though it was written many years ago, it is a miracle book that is just as relevant as the evening news and as personal as a text message from your best friend.

Now for the first time you can purchase a digital Bible that will come alive to you. Fred Hartley has prepared a life-giving, Christ-encountering annotated Bible full of practical tools to maximize your daily Bible reading.

An introduction to each Bible book explaining how to encounter Christ in that book

Notes underlined in three colors helping you interact with God as you read and with more than 1,000 examples of the manifest presence of Christ already identified by 'MP'

Outlines of every Bible book

The One-Year Bible Reading Plan

My God Journal, providing room to record where you encounter God each day

The version of the Bible used in God's Word on Fire is the World English Bible (WEB), a very good evangelical translation that follows a tight literal translation.

God's Word on Fire is not just another annotated Bible; by the grace of God, it will activate in you the ability to not only read the words but to encounter the God of the Bible. In reality, every Bible is on fire, designed to open your eyes to the whole new world of the manifest presence of Christ. This Bible in particular will give you some helpful new tools so that you can enter the presence of Christ from now on, no matter which Bible you are reading.

While the Bible is a great book – God's book – it is not an end in itself. The Bible is a means to an end – to know and encounter Christ. The Bible is the ultimate Facebook. In it you will see your own face revealed more accurately than your bathroom mirror. More importantly, you will see the face of God in Christ.

Welcome to God's Word on Fire!
