Scent of a Killer (Mira) Christiane Heggan

Manhattan photographer Jenna Meyerson is attending her first exhibit when her ex-husband suddenly shows up, claiming to need her help. A corporate attorney, Adam Lear suspects a high-profile rival company of having ties to a deadly group of international criminals—and Jenna may have the photographs to prove it.

Before she can agree to give them to him, Adam is found murdered in Central Park. With the police convinced the attorney's death was a random act of violence, Jenna seeks the help of Adam's former best friend, private investigator Frank Renaldi. When an attempt on Jenna's life sends her into hiding, Frank's only hope of keeping her alive is to stay one step ahead of a killer who will stop at nothing to get what he wants.
