## Southern Sudan, 2 Volume Set: An Annotated Bibliography (v. 1&2)

This comprehensive bibliography presents researchers, consultants, planners, aid organizations and others with the most comprehensive overview of the literature on the Sudan. It covers all fields and disciplines and all types of literature. To facilitate ease of use it is organized according to important topics of regional development: agriculture and pastoralism; anthropological & cultural studies; British and European colonialism; Christian mission and church related studies; development issues; fisheries; health; pre-colonial history; language and language studies; natural sciences; politics, ethnic and religious strife & civil war; travel and geography; and water and climate. Volume two contains detailed reports produced by consultants, governments, NGOs and UN and International Aid Organizations. It also has an inventory of NGO and UN organizations working in the region and a chronology of events to put the bibliographical information in context.
