Start a Community Food Garden: The Essential Handbook LaManda Joy

LaManda Joy, the founder of Chicago's Peterson Garden Project and a board member of the American Community Gardening Association, has worked in the community gardening trenches for years and brings her knowledge to the wider world in *Start a Community Food Garden*. This hardworking guide covers every step of the process: fundraising, community organizing, site sourcing, garden design and planning, finding and managing volunteers, and managing the garden through all four seasons. A section dedicated to the basics of growing was designed to be used by community garden leaders as an educational tool for teaching new members how to successfully garden.
