The Love That Made Mother Teresa

David Scott

The Love That Made Mother Teresa David Scott

The countless sweet photos of her smiling at babies showed Mother Teresa to be a single-minded advocate for the poor. But she was a woman with a will whose strength has been matched by few souls in history. Mother Teresa broke death's stranglehold on the poor of Calcutta, and she showed us how to conquer the sin and darkness in what she called the slums of the hearts of modern man.

Part biography and part spiritual reading, these pages bring to light little-known stories from Mother Teresa's life that will help you to grow in your love of God. You will learn her approach to reading Scripture, what enabled her to persevere through agonizing nights, and the remarkable -- some would say mystical -- events that led her to start the Missionaries of Charity.

In considering Mother Teresa, her private visions, and her secret sufferings, David Scott has discovered scores of early episodes and chance encounters that point to later, larger meanings. These remarkable patterns, he suggests, show that Mother Teresa's life was choreographed from above, as if a divine script had been written for her from before her birth.

In these pages, you will meet for the first time the Mother Teresa who challenged the ancient Goddess of Death and became the first saint of our global village. You will read as she describes, in long-secret letters, the dark night of her soul. The woman you will meet is one that God himself sent to you as a clear sign that despite pain and suffering in our lives and in our world, God's good love will prevail . . . beginning in the slums of our hearts.

We are all called to holiness, and the saints are sent to us as "real life" examples of God's love. With Mother Teresa as your guide, you'll learn how to follow God's call and find holiness in a world marked by the shadow of death and growing indifference to God. Indeed, you'll learn how to be an everyday missionary of Christ's love in the ordinary activities of your daily life.
