The Houdini Box Brian Selznick

Open this book and come face-to-face with the greatest magician of all time -- Harry Houdini!

Victor is forever trying to escape from locked trunks, walk through walls, and perform any number of Houdini's astonishing magic tricks...without success. Then -- amazingly -- he actually meets his idol and begs Houdini to explain himself. A mysterious locked box is the magician's only answer, and Victor is left to wonder: Does the box contain the secrets to the most famous magic tricks ever performed?

As spellbinding as a virtuoso performance by Houdini himself, this illustrated storybook for all ages combines captivating mystery and mesmerizing historical fiction, and as a bonus, offers a biographical note about Houdini. Equally strong as a read-aloud or a read-alone book, *The Houdini Box* conjures up the pure pleasure of an old-time magic show.
