*John Wesley*

## **The Torah: Explanatory Notes & Commentary on Genesis, Exodus, Leviticus, Numbers & Deuteronomy** John Wesley

John Wesley's explanatory notes on the Old Testament were written several years after his notes on the New Testament, and are based on the earlier works of Matthew Henry's 'Exposition of the Old and New Testaments', and Matthew Poole's 'English Annotations on the Holy Bible'. Extracts from both of these works are paraphrased and abridged by Wesley for the Explanatory Notes on the Old Testament, unlike the Explanatory Notes on the New Testament, which were entirely of his own composition.

Wesley's complete commentaries on the books Genesis, Exodus, Leviticus, Numbers and Deuteronomy are included, formatted to be easily and fully navigable on e-readers, with active table of contents and sub-menus.
