#1 AMAZON KINDLE BESTSELLER - *WORLDS COLLIDE, HEROES ARISE.*

"Astonishingly imaginative and thoughtful..." ~ Samuel F. Pickering, Professor of English & inspiration for the movie Dead Poets Society ~

Over a remote northern forest, a small plane carrying five teenage friends - Jag, Mariah, Kody, Tegan and Aari - flies into a freak storm. Struck by lightning, the aircraft crashes and the passengers find themselves cast into a life-changing adventure.

In a hidden valley, a mysterious people gaze at the stormy sky as a glowing object with fiery wings disappears behind a mountain ridge. The astonishing sight reignites an ancient prophecy foretelling the arrival of five chosen ones destined to become bearers of light against a dark storm gathering on humanity's horizon.

In a distant city, a secretive organization led by a shadowy figure initiates a sequence of cataclysmic events designed to wreak havoc across the planet, beginning with a remote mining site in northern Canada.

As the three worlds collide, unlikely heroes arise. Armed with powers entrusted to them by the ancient prophecy and the resilience of their life-long bond, the five teens take a stand against a malevolent foe.

"As a fantasy fiction writer I have to admit that I am a harsher critic when it comes to novels in this genre. It is truly a classic in the making!" ~ Michael Beas - Bestselling Author of 'Strump' ~

"If you are looking for a fresh, engaging and unique YA read, this is IT! No vampires, no zombies, no dragons, no teenage love distractions; Only pure, action, adventure, intrigue, mystery, dash of sci-fi,

AWESOME characters and an AMAZING plot! This is story-telling at its best. The pacing is great. What can I say except, 'Give me book two NOW!' Jason A. Joseph
