Assessing Second Language Pragmatics (Palgrave Advances in Language and Linguistics)

Assessing Second Language Pragmatics (Palgrave Advances in Language and Linguistics)

This volume is the first book-length collection of studies on the assessment of pragmatic competencies in a second or foreign language. Grounded in theoretical perspectives on communicative and interactional competencies, the first section of the book examines the reception and production of speech acts through a variety of assessment methods and a range of quantitative and qualitative analyses. The second section investigates interviewer and candidate interaction in different forms of oral proficiency interview.
