Atlantis (Spanish Edition)

Bob Mayer

Atlantis (Spanish Edition) Bob Mayer

De Bob Mayer, autor con éxito del NY Times, bajo el seudónimo de Robert Doherty (autor de la serie con éxito Área 51)

¡Más de 1 millón de copias vendidas! Entre las cien mejores publicaciones impresas de Amazon Hot 100. Entre las diez mejores publicaciones de thrillers de Amazon.

“¡Fascinante! Te dejará pegado a tu asiento. Llámalo thriller tecnológico, llámalo ciencia ficción, llámalo simplemente una historia apasionante.” Terry Brooks, autor de éxito n° 1 del NY Times de la serie Shannara y la Amenaza Fantasma de la Guerra de las Galaxias

¿Que ocurriría si la Sombra que destruyó la Atlántida hace 10.000 años regresara para amenazar a nuestro mundo?

Una guerra más allá del tiempo. Un enemigo más allá del espacio. Un thriller más allá de tus sueños más increíbles. Tres lugares sobre la Tierra de difícil explicación: el Triángulo de las Bermudas, el Mar del Diablo en Japón y una pequeña región de Camboya. Dentro de sus límites han desaparecido aviones, se han esfumado barcos y, en Camboya, una civilización entera se ha extinguido dejando atrás Angkor Wat.

En 1945, el Vuelo de Entrenamiento 19 desaparece en el Triángulo de las Bermudas.

En 1963, el USS Thresher, un submarino nuclear, se ha perdido en circunstancias inusuales, como parte de una investigación gubernamental secreta de unas puertas misteriosas.

Cerca del final de la Guerra de Vietnam, el boina verde Eric Dane guía a un equipo operativo hacia las profundidades de Camboya y allí han encontrado una extraña niebla cerca de la legendaria ciudad de Angkor Kol Ker. Todo su equipo ha desaparecido, atacado por unas extrañas criaturas que han salido de la niebla. Sólo Dane ha sobrevivido.

Ahora, un avión acaba de estrellarse en la misma zona en la que Dane perdió a su equipo. Y le han llamado para que averigüe el misterio detrás de estas puertas en nuestro planeta. ¿Qué quiere esta Sombra? Es una amenaza que requerirá la oposición de las fuerzas militares más grandes del mundo para derrotarla. Algo tan potente que sobrepasará a nuestra ciencia y tecnología. Un enemigo sin piedad que llevará a Dane, y a todo el planeta, a una desesperada batalla final por la supervivencia.

Si disfrutaste con PERDIDOS, te encantará este libro y te asombrarán las similitudes de conceptos (aunque este libro se publicó antes que Perdidos).

From reader reviews:

Cindy Gross:

Inside other case, little individuals like to read book Atlantis (Spanish Edition). You can choose the best book if you appreciate reading a book. So long as we know about how is important a book Atlantis (Spanish Edition). You can add knowledge and of course you can around the world by the book. Absolutely right, simply because from book you can learn everything! From your country till foreign or abroad you will end up known. About simple point until wonderful thing you could know that. In this era, we are able to open a book or maybe searching by internet unit. It is called e-book. You can utilize it when you feel bored stiff to go to the library. Let's read.

Matthew Schwartz:

What do you with regards to book? It is not important together with you? Or just adding material if you want something to explain what your own problem? How about your extra time? Or are you busy individual? If you don't have spare time to perform others business, it is give you a sense of feeling bored faster. And you have free time? What did you do? All people has many questions above. The doctor has to answer that question due to the fact just their can do which. It said that about reserve. Book is familiar in each person. Yes, it is appropriate. Because start from on jardín de infancia until university need this particular Atlantis (Spanish Edition) to read.

Janet Thaxton:

You can spend your free time to read this book this book. This Atlantis (Spanish Edition) is simple to bring you can read it in the playground, in the beach, train and soon. If you did not include much space to bring the actual printed book, you can buy often the e-book. It is make you simpler to read it. You can save the book in your smart phone. So there are a lot of benefits that you will get when one buys this book.

Audrey Mack:

Reserve is one of source of knowledge. We can add our information from it. Not only for students but native or citizen will need book to know the up-date information of year to help year. As we know those ebooks have many advantages. Beside many of us add our knowledge, could also bring us to around the world. Through the book Atlantis (Spanish Edition) we can consider more advantage. Don't you to definitely be creative people? For being creative person must prefer to read a book. Just simply choose the best book that suited with your aim. Don't end up being doubt to change your life with this book Atlantis (Spanish Edition). You can more attractive than now.
