**Hunted Down: The Detective Stories of Charles Dickens** Charles Dickens

**A unique collection of Dickens stories, rarely seen in print, establishing him as one of the masters of the detective genre**

Charles Dickens was one of the great pioneers of detective fiction. While the larger-than-life characters in his novels have settled themselves in the public imagination, his detectives have had a profound effect on the development of crime fiction, and Dickens is now seen as the first major publicist for the police detective. Here, Peter Haining has assembled a fascinating selection of Dickens's detective stories. Added to these are extracts from the novels in which the men of the law make their mark, including Mr. Nadgett from *Martin Chuzzlewit*, the first serious detective in an English novel, and Inspector Bucket from *Bleak House*.
