Jaden Toussaint, the Greatest Episode 1: The Quest for Screen Time

Marti Dumas

Jaden Toussaint, the Greatest Episode 1: The Quest for Screen Time Marti Dumas

Giant afro. Even Bigger Brain.

Jaden Toussaint is a five year-old who knows it all. I mean, really knows it all. Animal Scientist. Great Debater. Master of the art of ninja dancing. There's nothing Jaden Toussaint can't do. The only problem is that grown-ups keep trying to convince him that, even though he's really smart, he doesn't know EVERYTHING. The thing is...he kind of does.

This time our hero must use all his super-powered brain power to convince the grown-ups that he needs more screen time.

Jaden Toussaint, the Greatest is a series of chapter books that kids and parents love. Kids love the awesome brain power and ninja dance moves of a superhero as real as they are. Parents appreciate the author's humor, but they love watching their kids-- even reluctant readers-- keep turning pages. Jaden Toussaint is the new definition of cool.
