Journey to Love: A Memoir Picture a skier on a mountain standing in front of a black diamond trail. He is about to live his life jumping over, or maneuvering around, a path filled with icy moguls, sharp angles, twists, and turns while picking up speed. Although he will enjoy the exhilaration of the adventure, he will have to cope, solve, accept, live through, and heal from the challenges along the way. His goal is to arrive at the finish line of the race, intact, during his lifetime. Journey to Love is a metaphor for the skier's journey. It is my journey of spiritual quest in learning and growing Love. A third component is revealed in the final chapter. The journey begins with a difficult childhood; winds through knowing when to leave each of two marriages; choosing a rewarding career; traveling on six continents to see that humanity is one; having the gifts of intuition and moxie; being in chronic pain for the past year and one half; and overcoming health (pancreatic cancer survivor) and other challenges. Lifelines on the journey are inspirational quotes; therapies; attitudes; angels; paranormal experiences; and resources from extensive research/reading on life and its purpose. It is my hope that my journey will assist others over the moguls (challenges) in their lives.
