Praying The Promises Stephen Altrogge

In the style of "The Valley Of Vision", this book is an aid the many men and women (including the author!!!) who struggle with prayer.

God's word is not simply meant to be read. His word is intended to guide and shape our prayers, filling them with substance and meaning. One of the reasons we so often struggle with prayer is that we don't include the very words of God. We don't pray God's promises back to him.

This short book helps the reader pray his way through the very words of God, giving life and substance to his prayers by filling them with God's promises. It teaches the reader how to pray God's words back to Him.

You won't find any tricks or tips in this book. What you will find is moving, heartfelt prayers that can be adapted as your own.
