Sources of the Western Tradition, Volume 2 Marvin Perry

With a collection of over 350 sources, each accompanied by an introductory essay and review questions, this two-volume primary source reader emphasizes the intellectual history and values of the Western tradition. Sources are grouped around important themes in European history--such as religion, education, and art and culture--so that readers can analyze and compare multiple documents. The Eighth Edition features additional sources by and about women, completely revised chapters on modern Europe and its place in the contemporary world, and updates to introductions and review questions.
