## **Stranger** Sophie Olivia Sano

Stranger chronicles the downfall of a conservative woman who has created a sheltered life for her family within the confines of her well-manicured suburban Los Angeles home. Over the course of a few disturbing days, she becomes convinced that outside forces—both ordinary and supernatural—pose a potential threat to her carefully assembled lifestyle. Struggling to cleanse her family of such unwanted influences, she is forced to grapple with her own dark past. As the distinction between reality and illusion becomes blurred, she resorts to what may be the unthinkable in order to set things right.
