A Tales from Foster High Story

Fearing the backlash of living as a gay man in Foster, Texas, Matt Wallace runs away to California, only to find it isn't the Promised Land he'd hoped for. Christmas sees Matt returning to Foster, where he bumps into his old flame, high school jock Tyler Parker.

Now that they're older, it doesn't take Matt too long to figure out that love at first sight is a very real thing. The only problem is neither Matt nor Tyler seems to know what to do after that. They're both running from the past—and each other—requiring some reverse engineering to actually spur the relationship past the false start.
