## **What Satan Don't Want You To Know** Reggie Johnson

The Mysteries of the Kingdom of God and the origin of the Human Race is an awesome epic! 95% of the Churches in the entire world probably don't know the secrets of the Kingdom. If the Children of God actually knew who they were and how things worked; they'd rule the world! They'd be blessed beyond measure! Success, happiness, longevity, and the abundant life would not elude them! But Satan has made it his supreme mission to blind the eyes of understanding and revelatory knowledge from the Church at large. For he knows full well that such revelation would destroy his stronghold, and ultimately end his earthly reign. What Satan don't want you to know is contained in these precious pages. It will bless your life!
