## **Where Have All the Flowers Gone?** Alice Gerard

This book tells the stories of five private schools begun in the Northeastern US during the 1960s by idealistic believers in educational freedom. Two of the schools have closed; the other three are still open and flourishing. Although the schools are different, they share a belief in the individuality of each child and his/her unlimited potential. Their stories are still relevant today.

### **From reader reviews:**

#### **Norman Eiland:**

A lot of people always spent all their free time to vacation or maybe go to the outside with them family members or their friend. Are you aware? Many a lot of people spent they free time just watching TV, or even playing video games all day long. If you wish to try to find a new activity this is look different you can read some sort of book. It is really fun for you. If you enjoy the book that you read you can spent the entire day to reading a book. The book Where Have All the Flowers Gone? it is rather good to read. There are a lot of folks that recommended this book. These people were enjoying reading this book. When you did not have enough space to deliver this book you can buy the actual e-book. You can m0ore very easily to read this book from your smart phone. The price is not too expensive but this book has high quality.

#### **Stephen Hilton:**

The reason? Because this Where Have All the Flowers Gone? is an unordinary book that the inside of the book waiting for you to snap this but latter it will zap you with the secret this inside. Reading this book next to it was fantastic author who have write the book in such wonderful way makes the content interior easier to understand, entertaining technique but still convey the meaning thoroughly. So , it is good for you for not hesitating having this any more or you going to regret it. This book will give you a lot of advantages than the other book include such as help improving your ability and your critical thinking method. So , still want to hesitate having that book? If I had been you I will go to the publication store hurriedly.

#### **Robert Hatch:**

Playing with family in a very park, coming to see the marine world or hanging out with close friends is thing that usually you might have done when you have spare time, then why you don't try factor that really opposite from that. One activity that make you not sensation tired but still relaxing, trilling like on roller coaster you already been ride on and with addition of knowledge. Even you love Where Have All the Flowers Gone?, you can enjoy both. It is great combination right, you still need to miss it? What kind of hang type is it? Oh can happen its mind hangout guys. What? Still don't obtain it, oh come on its identified as reading friends.

#### **James Waddell:**

Many people spending their time period by playing outside with friends, fun activity together with family or just watching TV the whole day. You can have new activity to enjoy your whole day by reading through a book. Ugh, ya think reading a book can really hard because you have to use the book everywhere? It ok you can have the e-book, delivering everywhere you want in your Smart phone. Like Where Have All the Flowers Gone? which is keeping the e-book version. So , try out this book? Let's observe.
