Advanced Practice Nursing: Setting a New Paradigm for Care in the 21st Century PhD Sydney Lentz
American health is at a crossroads with millions of people needing healthcare yet the system cannot keep up with the demand. We need healthcare but somehow it all seems complicated and not simple to attain. Nurse practitioners and physician assistants, working collaboratively shoulder to shoulder with physicians and other healthcare professionals can help resolve this mounting crisis. The book ends with a passionate plea to increase the use of the primary care workforce to prevent chronic care diseases and promote healthy living. Americans deserve the very best that healthcare has to offer.
