BOOK #1: Chromecast: A Beginner's Guide for Easy Streaming Media Setup

Google Chromecast is one of the newest and hottest technology gadgets. Unfortunately, a lot of people are not real familiar with it as of yet. This book is designed for the technology beginner that wants to setup a Google Chromecast in their own home.

This book is going to give you all the details about set up and equipment that you need to know to get your system started. It is important that you have your information and knowledge together before you start setting up your system and that is where we come into the picture.

By the end of this book you will be ready to get your Google Chromecast up and running to begin your wonderful media experience. You will be hearing more and more about this in the very near future and you can be ahead of the game.

In this book you will be learning about the following areas:

- What Chromecast is
- What Chromecast can do
- Additional information about uses
- Limitations to be aware of
- How to setup your Chromecast system

BOOK #2: Fire Phone: A Beginner's Guide to Better Understand Their Amazon Fire Phone

The choice and search for a good mobile phone that can meet ones daily needs and goals is becoming more and more difficult with the passing of each day. The cell phone market is becoming more and more

competitive with the passing of each second, minutes and days. The market for cell phones is becoming more and more risky. But I am glad to tell you that if there is a company out there that will definitely stick to its resolve for quality, user friendly devices, it is the Amazon. The Amazon recently stormed the cellular world with the Amazon Fire phone. Just as the name, it has been proven to be a phone with good and positive fire vibes that enhances the users' experience. There is no neglecting the fact that many people already love the Amazon Fire Phone. Here is a book that will help you get a good grasp of what this remarkable device is all about and how to make use of it.

With the step by step guide included in this book you will be able to:

- Get a good grasp of what the Amazon Fire phone is
- Have a clear access to details about its components and functions
- Explore the unending world that can be accessed with the use of this device
