Contemporary Banking in India

Contemporary Banking in India

The Indian banking system continues to play a crucial role in the socioeconomic development of the country. There have been many positive developments, but more needs to be done.

Surprisingly, no book has been written capturing the developments and issues of the banking sector in India. It is in this context that this volume on banking in contemporary India has been crafted. Issues and debates have been identified and key thought leaders and eminent practitioners invited to write in their areas of expertise.

This book brings together the who's who of the industry in thoughtful discussions of crucial importance, leveraging the expertise of the experts.

This book will be useful to practitioners and students alike, while also broadening the debate amongst companies, policy makers and academicians in India and abroad.
