Steel is forged in fire.

Hardened by hatred,

Tempered by blood.

Seasoned by shame,

Sharpened by death.

Gin Draven is a soldier. THE soldier. Sworn to protect the nine planets in the galaxy humans made their home ninety thousand years ago. He lives for winning the war. He loved a woman once, and she cost him his sanity, his eye, and his heart. He'd taken every moment of their time together and buried it deep. Until the day she strolled back into his life.

Maeve was a woman. THE woman. Back to make Gin Draven her husband. She wants the same thing he does. The end to the war that plagues them all. She knows secrets that can help him win the war, and secrets that could destroy them both.

War brought them together, and war tore them apart. The strongest loves are Forged in Fire.
