Katie's life changes dramatically only a few months before her planned wedding. With the wedding cancelled, an unexpected opportunity to do some research on the picturesque Isle of Man seems the perfect escape. She can get away from all the sympathetic looks and gossip remarks and focus on her career while nursing her broken heart.

Finlo Quayle is the gorgeous owner of the island's only charter airline. William Corlett is the intelligent and sexy man who runs the Institute that is funding Katie's research. Katie finds herself being fought over by two very different men, both of whom attract her in very different ways.

Now the only thing Katie is sure of is that she isn't going to let a ghost make any decisions about her love life for her.
