Little Stories for Little People, Vol. 1 (Classic Reprint)

Annie Willis McCullough

Little Stories for Little People, Vol. 1 (Classic Reprint) Annie Willis McCullough

The vocabulary used in this first supplementary reading-book is mainly confined to that found in five leading First Readers. For the most part, each lesson is a complete story. By story is meant a dramatic incident, however slight. The childrens interest is generally better held by a story than by any other form of reading. It is noticeable in some First Readers that there is seldom any sequence of stories. Each new lesson introduces a fresh set of nouns and verbs bearing no relation to those of the story preceding. Many of these stories are arranged in little groups, the object being to retain the childs interest in the characters, and the repeated use of the same, or similar, words, phrases, sentences.

(Typographical errors above are due to OCR software and don't occur in the book.)
