Studs Lonigan (Penguin Twentieth-Century Classics)

Studs Lonigan (Penguin Twentieth-Century Classics) James T. Farrell

Collected here in one volume is James T. Farrell's renowned trilogy of the youth, early manhood, and death of Studs Lonigan: **Young Lonigan**, **The Young Manhood of Studs Lonigan**, and **Judgment Day**. In this relentlessly naturalistic portrait, Studs starts out his life full of vigor and ambition, qualities that are crushed by the Chicago youth's limited social and economic environment. Studs's swaggering and vicious comrades, his narrow family, and his educational and religious background lead him to a life of futile dissipation. Ann Douglas provides an illuminating introductory essay to Farrell's masterpiece, one of the greatest novels of American literature.

For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

From the Trade Paperback edition.
