## The Fiery Cross (Outlander) Diana Gabaldon

*New York Times* bestselling author Diana Gabaldon mesmerized readers with her award-winning **Outlander** novels, four dazzling tales featuring eighteenth-century Scotsman James Fraser and his twentieth-century time-traveling wife, Claire Randall. Now, in this eagerly awaited fifth volume, Diana Gabaldon continues their extraordinary saga, a masterpiece of pure storytelling that is her most astonishing **Outlander** novel yet....

The year is 1771, and war is coming. Jamie Fraser's wife tells him so. Little as he wishes to, he must believe it, for hers is a gift of dreadful prophecy—a time-traveler's certain knowledge. Claire's unique view of the future has brought him both danger and deliverance in the past; her knowledge of the oncoming revolution is a flickering torch that may light his way through the perilous years ahead—or ignite a conflagration that will leave their lives in ashes.
