## The Water Thief Jane Kindred

It takes a con to expose a con. But this con could strip their secrets bare.

Framed for his twin sister's murder, Sebastian Swift has been kept drugged in a mental institution since age thirteen, aware of only one horrible fact—every night in his dreams, he drowns.

After a freak storm frees him, Sebastian learns the truth. His guardian, Emrys, has been siphoning off his inherited magical power over the waters of Cantre'r Gwaelod—one gruesome vial at a time. And the man's bastard son, Macsen, has been raised in his place. Determined to find his twin's killer, Sebastian assumes her identity.

Macsen Finch isn't about to give up his guise as the young earl—and not just because of the fortune. His cousin's return from the dead threatens Macsen's own efforts to undermine his father's evil plan. Yet he can't deny his inexplicable attraction to the imposter.

Acting on their mutual desire puts them both at the mercy of a madman's wrath. To stop Emrys from stealing his power, Sebastian will have to learn how to use it—and whom he can trust.

Warning: May contain copious exchange of fluids, men in corsets, and dirty dancing. Apply liberally before bedtime.
