**Wait for You (Wait for You Saga) J. Lynn**

The #1 *New York Times* and *USA Today* bestselling phenomenon

*Some things are worth waiting for . . .*

Traveling thousands of miles from home to enter college is the only way nineteen-year-old Avery Morgansten can escape what happened at that fateful Halloween party five years ago—an event that forever changed her life. What she never planned on was capturing the attention of the one guy who could shatter the precarious future she's building for herself.

*Some things are worth experiencing . . .*

Cameron Hamilton is six feet, three inches of swoon-worthy hotness, complete with a pair of striking blue eyes and a remarkable ability to make Avery want things she believed had been irrevocably stolen from her. Getting involved with him is dangerous. Yet ignoring the simmering tension that sparks between them—and brings out a side of her she never knew existed—is impossible.

*Some things shouldn't be kept quiet . . .*

But when Avery starts receiving threatening e-mails and phone calls, she's forced to face a past she wants to keep buried and acknowledge that someone is refusing to allow her to let go of that night when everything changed. If the devastating truth comes out, will she resurface with one less scar? And will Cam be there to help her?

*And some things are worth fighting for . . .*
