In this collection of 15 stories you'll meet Charlotte whose fear of cats may have precipitated the tragic events which occur after she meets The Old Woman's Cat. Tracy wakes up one morning to find she has lost not only the last 11 years of her life but her Identity as well. When Penny inherits her grandparents old farm, she discovers the Skeleton Key that unlocks a long-buried secret. The little dog Danny has is imaginary...or is it? Michael delivers groceries to That Chastain Place for years and learns there is more than one way to love. Meet these, as well as a man who is driven insane by mirrors, a snowman that kills, and a vampire with a real problem. You may smile, you may even cry, but you won't be disappointed.

A native of Beulah, North Dakota, Sharon has lived and worked in Minnesota and Oklahoma. She now lives in Arizona with her husband and five cats. A member of the Cat Writers Association, she has written many poems and songs and is presently working on a mystery novel.
