## **Elystre** Tiffani Crawford

"It's pronounced Ellistra, like the porcelain china." Krishna Ravender laughs about her novel in progress and thinks no one gets it, especially not her husband Nick with his new corporate career and their grownup responsibilities. Do they remember that they're in love? At least celebrity biographer Castellan Smyte understands her. Real-life absurdity and love win out over Krish's romantic, chivalrous plotline in this humorous look at young married life.
