Emergence: Labeled Autistic [Paperback] [1996] (Author) Temple Grandin, Margaret M. Scariano

A true story that is both uniquely moving and exceptionally inspiring, Emergence is the first-hand account of a courageous autistic woman who beat the odds and cured herself. As a child, Temple Grandin was forced to leave her "normal" school and enroll in a school for autistic children. This searingly honest account captures the isolation and fears suffered by autistics and their families and the quiet strength of one woman who insisted on a miracle.
