WARNING: This is not the actual book *Concealed in Death* by J.D. Robb. Do not buy this *Review* if you are looking for a full copy of this great book. Check out our in-depth, expert review of this suspense novel *Concealed in Death* for everything you need to know before you pick up the book. Tucked within the review you'll find an analysis of the most memorable scene, an alternative outcome that may have worked better, and plenty of eye-openers to take away. J.D. Robb's latest installment in her *In Death* series, *Concealed in Death* delves deep into Lieutenant Eve Dallas' past while she unravels the mystery surrounding the bodies of 12 girls, hidden behind a wall 15 years ago. J.D. Robb is one of several pseudonyms that famed romance novelist Nora Roberts publishes under. Although *Concealed in Death* is a fast-paced suspense novel set in a futuristic New York City, it has plenty of steamy scenes and enjoyable characters to appeal to fans of Roberts' other work. In this review, you'll find interesting facts about the author and recommendations for similar books. This review deftly points out where the author succeeded, as well as where she fell short. Readers will love the cast of strong but diverse female characters. Lastly, discover what "those in the know" think about this book, as you read quotes from expert critics and reviewers. Despite its shortcomings, *Concealed in Death* is still a wonderful installment in a series that seems to get more popular each day.
